Welcome screen

What you need

Android phone
Android 7.0 or later.

Internet connection
Needed for chat, maps, prices and itineraries.

Email or Google account
Used to create your Sidekick account.

Location access (optional)
Lets Sidekick show routes from where you are.

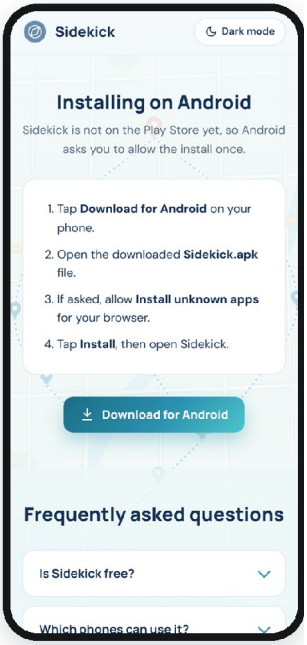

i Sidekick is free to download and use. It does not sell anything or take payments.

2 Installing Sidekick

Sidekick is downloaded from the Sidekick website, not the Play Store, so Android asks you to allow the install once.

1. On your phone, open the **Sidekick website** in your browser.
2. Tap **Download for Android**.
3. Open the downloaded **Sidekick.apk** file.
4. If asked, allow **Install unknown apps** for your browser.
5. Tap **Install**, then open Sidekick.

> ! Android shows a warning because the app is not from the Play Store. This is expected; only download Sidekick from the official Sidekick website.

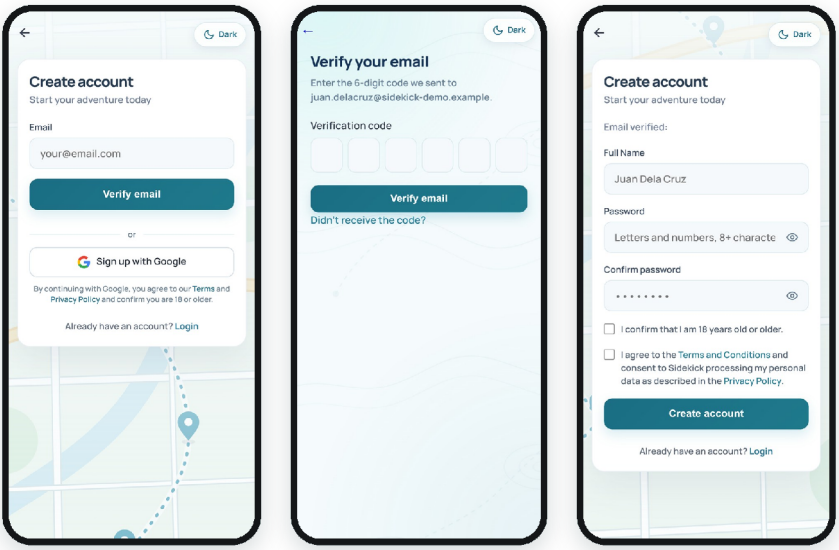

Install steps on the website

3 Creating your account

When you open Sidekick, the welcome screen lets you **Login** or **Register**. You can also sign up quickly with Google.

Register with email

1 · Enter email 2 · Verification code 3 · Account details

1. Tap **Register**, enter your email, then tap **Verify email**.
2. Enter the **6-digit code** sent to your email and tap **Verify email**. Tap **Didn't receive the code?** to get a new one.
3. Enter your **full name** and a **password** (letters and numbers, at least 8 characters), then confirm it.
4. Tick the boxes to confirm you are 18 or older and agree to the Terms and Privacy Policy, then tap **Create account**.

> **i** Prefer Google? Tap **Sign up with Google** and choose your account. You will skip the code and password steps.

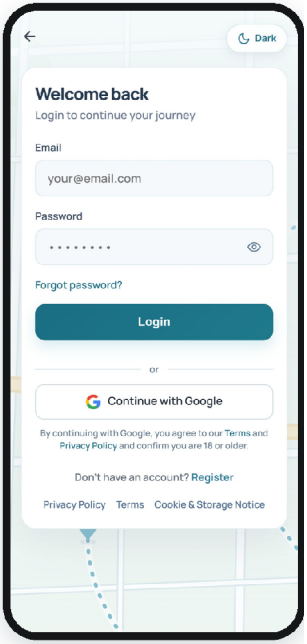

4 Logging in and setting up

Log in

1. Tap **Login** on the welcome screen.
2. Enter your email and password, then tap **Login**. Or tap **Continue with Google**.
3. Tap the eye icon to show or hide your password.

Forgot your password?

1. Tap **Forgot password?** on the login screen.
2. Enter your email and tap **Send code**.
3. Enter the 6-digit code from your email and set a new password.

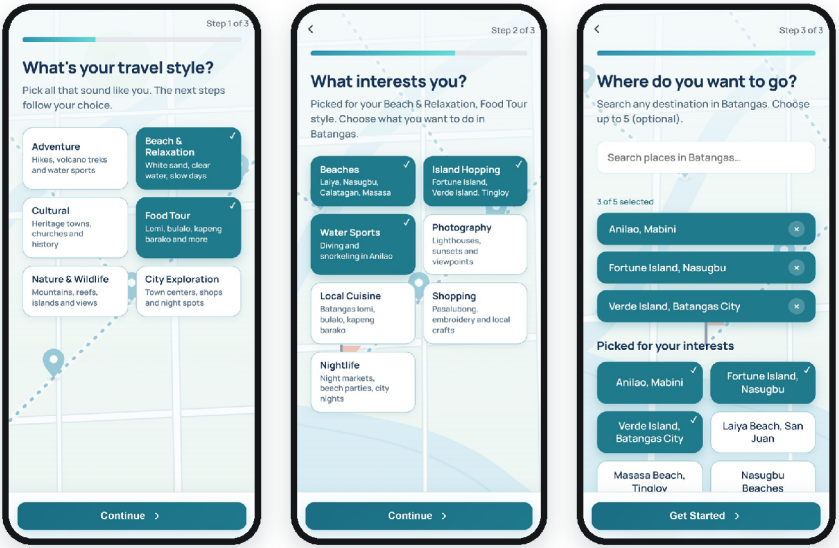

Login screen

i Tap **Dark** at the top of the login and register screens to switch to dark mode at any time.

5 Choosing your preferences

The first time you log in, three quick steps tell Sidekick what you like. Your answers shape the places it recommends.

Step 1 · Travel style | Step 2 · Interests | Step 3 · Destinations

1. **Travel style:** pick every style that sounds like you, such as Adventure, Beach & Relaxation, Cultural or Food Tour. Tap **Continue**.
2. **Interests:** choose what you want to do in Batangas, such as Beaches, Island Hopping or Local Cuisine. Tap **Continue**.
3. **Destinations (optional):** search for or tap up to 5 places you want to visit. Tap **Get Started**.

6 Getting around the app

The bar at the bottom of every screen takes you to Sidekick's five main areas. The highlighted icon shows where you are.

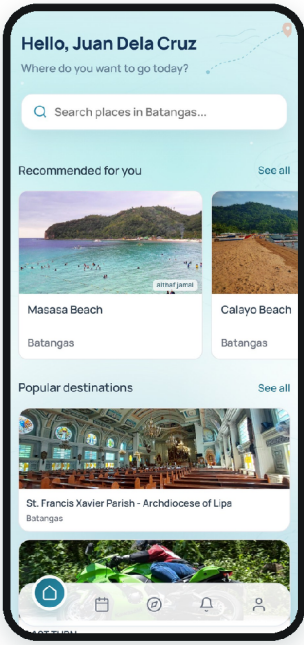

Home
Search places and see recommended and popular destinations.

My Itinerary
Build new trips and manage your planned trips.

Sidekick chat
Ask the AI travel assistant anything.

Alerts & Reminders

17 Troubleshooting and FAQ

My phone warns me when I install it.	Sidekick isn't on the Play Store yet, so Android asks you to allow **Install unknown apps** once. Only install from the official Sidekick website.
I didn't get the 6-digit code.	Check your spam folder and that your email is typed correctly, then tap **Didn't receive the code?**
Routes don't use my location.	Tap **Use my current location** and allow location access when Android asks. You can also type a starting address.
I'm not getting reminders.	In Settings, make sure **Enable reminders** is on and tap **Send a test notification**. Also allow notifications for Sidekick in your phone's settings. Remember to save your itinerary.
The itinerary isn't loading.	Check your internet connection, keep the app open while it builds, and try again.
Are prices and travel times exact?	No. They are estimates from current web results and may change. Traffic can affect travel time.
Can I plan a trip for a group?	Yes. Set the number of travelers; your budget covers the whole group.
Does it cover places outside Batangas?	Sidekick is built for destinations in the province of Batangas.
Can I book hotels in the app?	Not yet. Use the hotel's phone number, website or map link in **Photos & details**.
Is Sidekick free?	Yes. It is free to download and use.

i Read the **Privacy Policy**, **Terms and Conditions** and **Cookie & Storage Notice** from the links on the login and register screens.
